D                      D
We need to celebrate
                       D
and take the time to say
Dsus4 D
This is gonna be a good day
```

```
D
Shake to the right, right, right
            A              D
And high five a new friend

D
Shake to the left, left, left
       A               D
Now stand up and spin

               A
Shake to the back, back, back
           D
And pass to the left side

               A

And spin all the way down
```
