

I Can Still Be Me

Narwhals & Waterfalls

C F C
When I'm feelin' happy I smile at my friends

C F C
When I'm feelin' happy I dance with them

G F C
And I high-five, high-five my friends

G F C
And I high-five, high-five my friends

C F C
When I'm feelin' mad I sit all day

C F C
When I'm feelin' mad I don't want to play

G F C
And I say NO, NO! And stomp my feet

G F C
And I say NO, NO! And stomp my feet

G
Whether I'm up or down

F G
Smile or frown

C
I can still be me

C
I can still be me

C F C
When I'm feelin' sad I want to cry

C F C
When I'm feelin' sad sometimes I don't know why

G F C
And I need hugs from my friends

G F C
And I need hugs from my friends

I Can Still Be Me

Narwhals & Waterfalls

C F C
When I'm feelin' calm I sit real tall

C F C
When I'm feelin' calm I don't move at all

G F C
And I breathe in and then breathe out

G F C
And I breathe in and then breathe out

G
Whether I'm up or down

F G
Smile or frown

C
I can still be me

C
I can still be me

G
I can breathe in and out

F G
Or dance around

C
And I'll still be me

C
I can still be me

Whether I'm up or down

Smile or frown

I can still be me

I can still be me

F C
I can still be me

F C
I can still be me
