

The Mood Song

Narwhals & Waterfalls

Chorus

D G
Hey, hey what's your mood today?

D A
I know sometimes it's hard to say

D G
Hey, hey what's your mood today?

D A D
Whatever you feel is alright!

D G
Some days I feel like a mountain so high

D A
Like I could be a superhero flyin' through the sky

D G
But then other days like a valley so low

D A
Like nobody cares if I stay or go

Chorus

Some mornings when I wake I'm like a kangaroo
Jumping up and down excited 'bout what I'll do
But other days I don't want to wake up at all
I'm like a sloth moving with a slow, slow crawl

The Mood Song

Narwhals & Waterfalls

D G
Raise your hand if you're mad today

D A
Raise your hand if you're sad today

D G
Raise your hand if you're happy today

D A D
Whatever you feel is ok

Raise your hand if you're tired today
Raise your hand if you're excited today
Raise your hand if you're worried today
It's ok
