If my rhythm sticks felt mad would they tap like this?

And if my rhythm sticks felt glad, would they tap like this?

If my rhythm sticks felt tired would they tap like this?

And if my rhythm sticks felt silly would they tap like this?

Chorus

G

D

A

Bm

I know what I do what I do when I feel blue

G

D

Bm

A

But I know I'm special and so are you

G

D

A

Bm

So I'll be your friend, I'll listen and then

G

D

A

Bm

Ask what you need and what I can do

G

A

D

That's how I'll show I love you

If My Rhythm Sticks Felt...

Narwhals & Waterfalls

D A/C# Bm A G A
If a cow felt lonely would it moo like this?
If a bunny felt excited would it hop like this?
If a snake felt surprised would it hiss like this?
And maybe if a duck felt annoyed it would quack like this?

Chorus

A7
Oh...

D A/C# Bm A G A
If I tap my sticks piano I would tap like this
If I tap my sticks forte I would tap like this
If I tap my sticks allegro I would tap like this
If I tap my sticks largo I would tap like this
And if my teacher said "rest" I would...
