

# Let's Go to the Zoo!

## Narwhals & Waterfalls

Chorus

C Cadd9  
Let's go to the zoo, go to the zoo

G C  
Go to the zoo of emotions

C Cadd9  
Where the animals feel just like we do

G C  
On the land or in the ocean

G C  
The mad I feel is like a lion

G C  
My hands feel like claws when he's around

F C F C  
The peace that I feel's like a bird in the sky

G G7  
Light as a feather, she whistles and glides

Chorus

The joy that I feel is like a dolphin  
I can dive, jump and sing, we have all that we need

The sad that I feel's kinda like a penguin  
Stuck on the ground, just waddling around

# Let's Go to the Zoo!

## *Narwhals & Waterfalls*

Chorus

The scared that I feel is like a bunny  
I wanna hop somewhere that no one can find me  
The shame that I feel is like a puppy  
I tuck my tail and wish I was someone else

Chorus

G C  
Growl like a lion  
Glide like a bird  
Dive like a dolphin  
Waddle like a penguin  
Hop like a bunny  
Whimper like a puppy

F C F C  
Goodbye for now, but we'll see you again

G C  
When we go to the zoo of emotion
