I just show up, try my best, and then...

Am7

Take it easy, just chill, if you wanna feel how I feel just

Dm7 G

Take it easy, relax, no regrets, no looking back,

Cause I know

F G

I don't need to do everything

F G

Cause together we can do

C F Am F Bb

Anything, anything, anything, anything

Dm7 G

Take it easy, relax, no regrets no looking back
